

SIKH YOUTH FEDERATION

EVENT ADVISORY - Downtown Seva Initiative

On December 27th, 2018, Sikh Student Associations (SSAs) from across the Greater Toronto Area will be heading to Downtown Toronto to serve the less fortunate and provide them with necessities of life we take for granted. These care packages – prepared by the students themselves - include water bottles, nutrition bars, toothbrushes, toothpaste, and warm clothing. Now in the event's fourth year, the high school SSAs launched this annual initiative to bring students from across the GTA together to engage in the concept of *Seva* – selfless service.

Seva is especially fitting during this time of year as Sikh's celebrate the sacrifices made by the *Chaar Sahibzadey* for the benefit of humanity, as our neighbours prepare to celebrate Christmas, and as Canadians gear up for the holiday season. Our goal is to put our common Canadian values into practice as we hit the streets to serve those in need. For more information and images from last year's event please visit our website at
